

Free workshop—‘Skilled smoke-out’

Specific tobacco information and smoking prevention and cessation strategies for professionals who work with young people

Date: 16 June 2010

Venue: Function Room
Cancer Council SA
202 Greenhill Road
Eastwood SA 5063

Time: 4:00 pm – 7:30 pm
(Nibbles will be supplied)

The 3.5 hour workshop includes:

- tobacco use in Australia
- effects of tobacco use
- understanding tobacco use among young people
- prevention and cessation techniques (including brief intervention and motivational interviewing)

Certificates will be provided and the workshop can count towards your professional development
